Manufacturing Facility

At **funriders**, we take pride in being the first and foremost company to manufacture indoor soft play equipment in India. Since our inception, we've been committed to providing safe, engaging, and entertaining play experiences for whole family across the country.

Our journey began with a vision to create a safer and more enjoyable play environment for kids. We recognized the need for high-quality, durable, and easy-to-clean play equipment that would meet international safety standards. Today, we're a leading manufacturer of indoor soft play equipment, catering to malls, entertainment centers, schools & restaurants worldwide. Our products are designed to promote physical activity, social interaction, and cognitive development in children.
