About Us

Bringing in a world-class outdoor playground manufacturing facility to India, funriders is the end-to-end service provider and leading innovator that plans, designs, manufactures, and develops Outdoor Playground Equipment and Outdoor Fitness Equipment for global clients.

we follow international quality and safety standards with deep clinical and customer insights to deliver the best play area solutions. As the full-service provider of outdoor playground business solutions, we offer a complete menu of playground business solutions.

Relentlessly focused on international quality and safety standards, backed by robust engineering and design methodologies, we ensure best-of-breed, flexible, and customized solutions that match your specific outdoor playground needs.

WHY CHOOSE FUNRIDERS ?

Funriders Leisure and Amusement Pvt. Ltd., India's only TUV Rheinland certified ISO 9001-2015, 14001-2015, 45001-2018 manufacturer for indoor and outdoor play equipment company is currently became the FEC manufacturer to meet the new trends in industry. Funriders being the largest manufacturer for Softplay, Trampoline park, Ninja course, Rope course, Outdoor Gym & Outdoor playground equipment now completed 16 years of manufacturing excellence and having **1200+** projects in India and abroad. Being the market leader in the industry, Funriders offers fully customised designs to match our customer satisfaction.

DIVERSE PRODUCT RANGE

We offer a wide variety of products including indoor soft play equipment, outdoor play structures, trampoline parks, fitness equipment, & specialized equipment for physically challenged children, catering to all recreational needs.

QUALITY MANUFACTURING

Our products are manufactured in-house at our own factory, ensuring strict quality control and adherence to industry standards.

ADVANCED FACILITIES

Our Worldclass facility includes specialized sections for FRP fabrication, upholstery, and dispatch, as well as our own high-quality powder coating plant, which enhances the durability and aesthetics of our products.

CUSTOMIZATION OPTIONS

We offer customizable solutions to meet the specific needs and preferences of our clients, ensuring that every project is tailored to their requirements.

EXPERTISE & EXPERIENCE

With years of experience in the industry, our team possesses the expertise to provide innovative and effective solutions for leisure and amusement needs.

CERTIFICATIONS

We are certified by TUV, ZED, and CE, demonstrating our commitment to safety, quality, and environmental standards, giving you peace of mind when choosing our products.

FOCUS ON SAFETY

Our products are designed with safety as a top priority, ensuring a fun and secure environment for children and users of all ages.

CUSTOMER FOCUSED

With years of experience in the industry, our team possesses the expertise to provide innovative and effective solutions for leisure and amusement needs.

COMPETITIVE PRICING

We offer high-quality products at competitive prices, providing excellent value for your investment.

Manufacturing Facility

we take pride in being the first and foremost company to manufacture indoor soft play equipment in India. Since our inception, we've been committed to providing safe, engaging & entertaining play experiences for whole family across the country. Our journey began with a vision to create a safer and more enjoyable play environment for kids.

We recognized the need for high quality, durable, & easy-to-clean play equipment that would meet international safety standards. Today, we're a leading manufacturer of indoor soft play equipment, catering to malls, entertainment centers, schools & restaurants worldwide. Our products are designed to promote physical activity, social interaction, and cognitive development in children.

Our Team

Our team at is dedicated to delivering high-quality manufacturing solutions with precision & efficiency. Through our expertise, we ensure timely delivery & customer satisfaction. Together, we create products that stand the test of time. Let's continue to push boundaries and achieve excellence in everything we do!

Encouraging outdoor play fosters children’s health, imagination, and friendships, while also promoting physical activity and overall well-being. It helps kids develop important social and cognitive skills, encouraging creativity and teamwork. Our play equipment is thoughtfully designed and built from safe, durable materials to ensure children can explore, climb, and play with confidence. We prioritize safety and quality, creating a secure environment where kids can enjoy endless fun, engage in imaginative play, and build lasting memories, all while parents have peace of mind.

Active outdoor play is critical for kids' health, growth, and overall well-being. It helps children build strength, develop coordination, and improve social and cognitive skills. Outdoor activities also encourage creativity and a sense of adventure. Our play structures are thoughtfully designed with child safety in mind, ensuring that kids can enjoy their playtime without worry. Made from secure, kid-friendly materials, our equipment provides a safe, durable, and engaging environment where children can explore, learn, and thrive to their fullest potential.

Fresh air, fun, and exploration: the ultimate remedy for both kids and grown-ups!

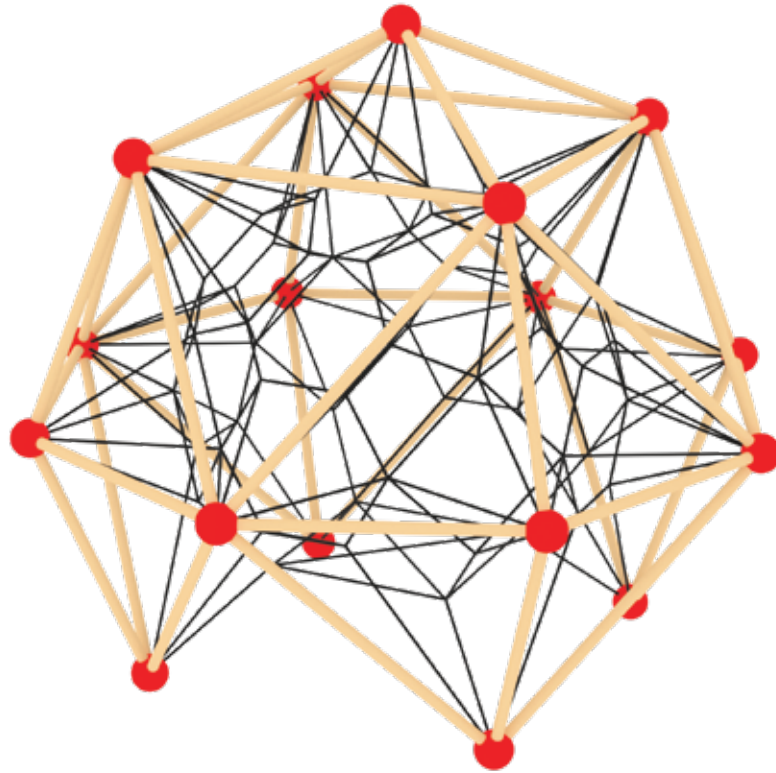

LLDPE MFS SERIES - RDL200

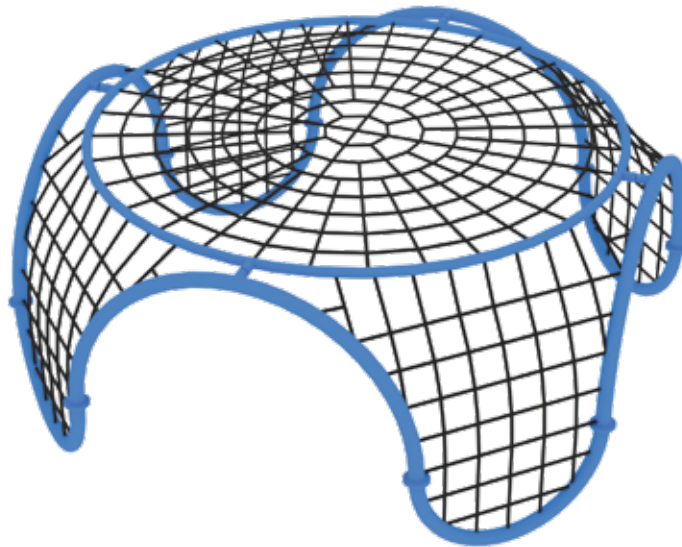

Outdoor rope courses offer an exciting and challenging way for kids to engage with physical activity, develop key motor skills, and build self-confidence. These dynamic courses provide children with an opportunity to push their limits, test their balance, and overcome obstacles, all while having fun outdoors

Safety is our priority. Our rope play equipment is manufactured using high-strength, weather-resistant ropes & reinforced steel frames to withstand rigorous outdoor conditions. With anti-slip surfaces, secure fastenings, & robust construction, our play structures provide a worry-free environment for children to climb, swing, & explore.

LLDPE MFS SERIES - RDL200

we take pride in offering top-tier outdoor gym equipment designed to provide both kids & adults with an effective and enjoyable workout while promoting physical health and well being. Crafted from premium materials, our fitness structures ensure safety, durability, and long-lasting performance for the entire community.

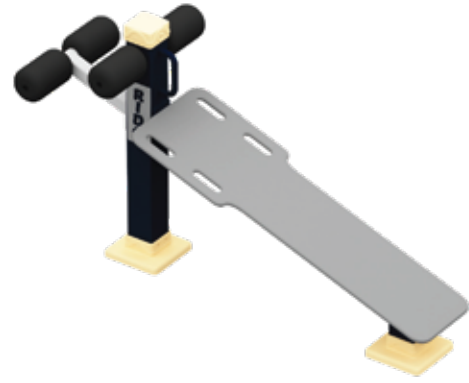

Safety is our priority. Our outdoor gym equipment is manufactured using high-strength, weather-resistant materials and reinforced steel frames to withstand rigorous outdoor conditions. With anti-slip surfaces, ergonomic designs, and robust construction, our fitness structures provide a worry-free environment for users to exercise, train, and stay active.

INDIVIDUAL SERIES

FUNRIDO understands that every playground is unique. The Non-Standard Play Station offers customizable options to fit any space, whether it be schools, parks, or community centers. Choose from various modules and configurations to create a one-of-a-kind play experience that meets your community's needs.

HOOPER SERIES

Our Hooper series is made of HDPE, It has excellent properties such as softness, resistance to bending, cold resistance, heat resistance, flame retardant, waterproof, low thermal conductivity, shock absorption, sound absorption, and anti-UV properties. It can effectively delay discoloration. Even after more than ten years, the long-term and stable performance can still be achieved. Maintain a brand new look.

Elevate playtime with our Heavy-Duty Seesaw, designed for durability and fun! Constructed from high-density polyethylene (HDPE) sheets, this seesaw offers a smooth, sturdy surface that is resistant to weather, fading, and wear. The framework is built with galvanized iron (GI) steel pipes, providing exceptional strength and stability for safe play.

Seasaw add a social dimension to the joy of rocking. Rocking on a seesaw trains children's muscles, motor skills, balance and coordination. The spacious design and sturdy back and foot supports allow children of all abilities to play together. The fun thrill of rocking will make children return for more. There is nothing better than rocking with a friend – or two!

Outdoor play inspires kids to move, connect, and grow, offering numerous benefits for their physical, mental, and social development. It encourages creativity, improves motor skills, and promotes emotional well-being. Our play equipment, made with safe, non-toxic materials, provides a secure space for children to explore, learn, and build lasting friendships. Designed with both fun and safety in mind, it ensures that kids can enjoy their playtime without any worries. Let them thrive in an environment that fosters growth, imagination, and healthy activity.

Encouraging outdoor play fosters children’s health, imagination, and friendships, while also promoting physical activity and overall well-being. It helps kids develop important social and cognitive skills, encouraging creativity and teamwork. Our play equipment is thoughtfully designed and built from safe, durable materials to ensure children can explore, climb, and play with confidence. We prioritize safety and quality, creating a secure environment where kids can enjoy endless fun, engage in imaginative play, and build lasting memories, all while parents have peace of mind.

EPDM FLOOR

Wonderful addition for an injury free and beautiful outdoor playground. The poured-in-place, joint-free material made from rubber granules are exclusively designed to minimize injuries due to unexpected falls in the play area. Water drains promptly through its granular base layer, making it a great choice for outdoor athletic tracks, walking paths, and playgrounds

1

Available in multiple color patterns

2

Uniform surfacing

3

Resistance to extreme weather & UV rays

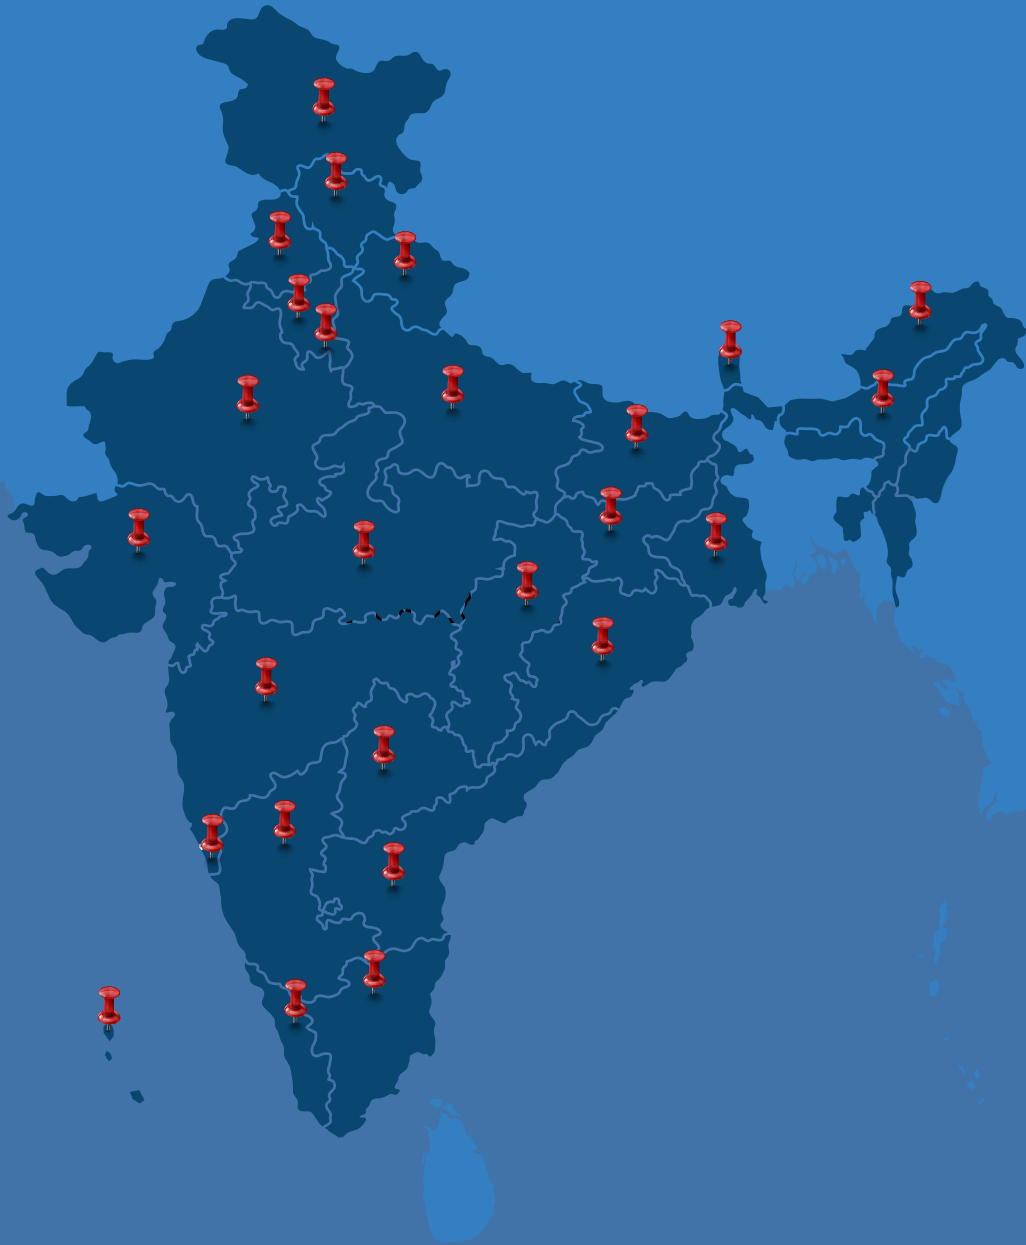

4

Critical fall height protection

5

Highly Durable
